Thanks Gary. November 5 is a bad day for me as well. Rafael, I am aware that you are starting your detail next week. Will you be able to get away sometime next week for an hour or so? Chuck, what is your availability next week.? If trying to coordinate all of the schedules presents a problem, I'll meet with Gary and Chuck to talk about the removal order, and with Rafael and Chuck to talk about the RIFS AOC.

Let me know.

I have reviewed the AOC and am ready to discuss next week to push this forward. Please set up a meeting and insure that Rafael and Ken are notified of the date. November 5 is not a good day for me.  
Thanks
